

## **Teacher-Manager Needed!**

We need a passionate, experienced, ECE qualified individual to lead our established French introduction preschool program in West Kelowna. Our Teacher-Manager works in partnership with our Assistant Teacher, is an integral part of the daily learning experience for our students and is responsible for the administration of our school. If you have experience in management, experience with non-profit environments, and experience with or a willingness to learn French we would love to hear from you! We do require: a valid ECE certification, First Aid certification, a criminal record check, and a two stage interview including behavioural questions and observed classroom time. The start date for the paid training period is flexible.

Full duties begin September 2018.
