Number of Responses for this category	22	19

* AVERAGE = Calculated by adding all of the monthly full time rates and dividing by the number of child care centre responses.

** MEDIAN = Half the centres have rates that are greater than the median and half the centres have rates that are less than the median.

47 Family Child Care Provider members provide child care to school age children.

Fees may vary depending on transportation and the distance in which a program must travel to pick up from a particular school.
